Professional Summary

Aspiring data analyst with strong logical and analytical skills, eager to apply data analysis techniques in real-world projects. Committed to teamwork, innovation, and continuous learning to drive meaningful insights.

Accomplishments

Hackathon Ideas:

- Smart QR Parking System – UYIR Road Safety Hackathon, CCMC(Finalist)**
Proposed a QR-based two-wheeler parking solution with solar sheds, helmet lockers, and a mobile app for real-time slot booking.
- Smart Money Lending Tracker – Technova Hackathon, CIT**
Designed a Figma-based mobile app prototype to track daily expenses, split costs, and auto-save via rounding-off, with planned UPI integration.
- Prescription Reader & Medicine Display – IAccelerate Women's Hackathon, Infosys**
Conceptualized an AI-OCR-powered interactive display system to decode prescriptions, assist pharmacists, and show drug info to patients.

Mini - Projects:

- Cricket Player Management System – Java, Servlet, MySQL**
Developed a mini web app to manage cricket player details with CRUD operations and database integration. Built using Servlets for backend logic and MySQL for efficient data storage.
- Sales Analytics – Python & SQL Case Study**
Queried a normalized HR sales database using advanced SQL (JOINS, CTEs, window functions) to extract business insights.
- Customer Spending Dashboard – Python & SQL Case Study**
Developed an interactive dashboard with drill-through filters to analyze regional sales and profit trends.
- Financial Summary & Forecast –Python + SQL + Power BI**
Built a finance dashboard to visualize and forecast income/expenses with user interactivity and data storytelling.

Education

Bachelor of Technology: Computer Science and Business Systems 2024-2028 Sri Krishna College of Engineering and Technology, Coimbatore.	Professional Certification AI & Data Science DRISHTI CPS, IIT Indore. April 2025 - Nov 2026
--	--

Skills and Certification

- Python
- SQL
- Power BI
- Data Structures and Algorithms
- Probability & Statistics
- MS Excel
- R programming
- C,C++,Java
- Figma

- HTML,CSS,JS
- React
- Multi-tasking
- Leadership skills
- Time management
- Logical and Analytical Skills
- Strategic Planning
- Implementor
